CM STUDIO.Hotel

CM Studio .Hotel is the „All-in-One“ solution

for your professional online marketing - within a few days we offer you your individual internet presence with these valuable features.

Multilingualism

CM Studio .Hotel speaks the language of your guests - depending on the chosen package we offer you any language you consider important.

Well found with SEO features

Your guests will find you well - our SEO features make sure of that. XML sitemap, rich snippets, optimized page layout: everything already on board.

Responsive and mobile ready

CM Studio .Hotel combines responsive design with all elements of a mobile app: optimized for smartphone, tablet and desktop. Optimal for your guests and for Google & Co.

Guest reviews

Integrate guest reviews - via your own review manager, but also via third-party providers such as Customer-Alliance, Trip-Advisor, etc.

Design: 100% flexible

We have designed CM Studio .Hotel so that your internet presence fits perfectly to your brand - fonts, colors, logos and design settings (depending on the package).

Online booking fully integrated

CM Studio .Hotel has its own integrated and networked IBE - Network your website with portals like TripAdvisor or Trivago or bind your channel manager to the integrated IBE. Of course we also integrate existing IBE solutions on request.

Website update made easy

CM Studio .Hotel update independently with our intuitive CM Studio. And if you need help, our support is only a mouse click away.

Control is better - and included

Whether your internet presence works successfully with CM Studio .Hotel, you can see from our reports.

Via Google Analytics you always have all figures in view, including booking turnover (IBE-dependent).

Hosting included - with security

CM Studio .Hotel is securely located on servers in Germany - monitored around the clock by a team of experts and with an availability guarantee of 99.9% per year.

Updates included

So that you can take care of your hotel, we take care of the updates of your internet presence.

CM Studio .Hotel is including the software maintenance and therefore always up-to-date and always secure.

Extendable through add-ons

CM Studio .Hotel grows with you. Extend with add-ons (e.g. voucher store, conference configurator) your direct sales.

And special requests can optionally be fulfilled as individual customization.
