

What do I do if I forget my password? forgotten?

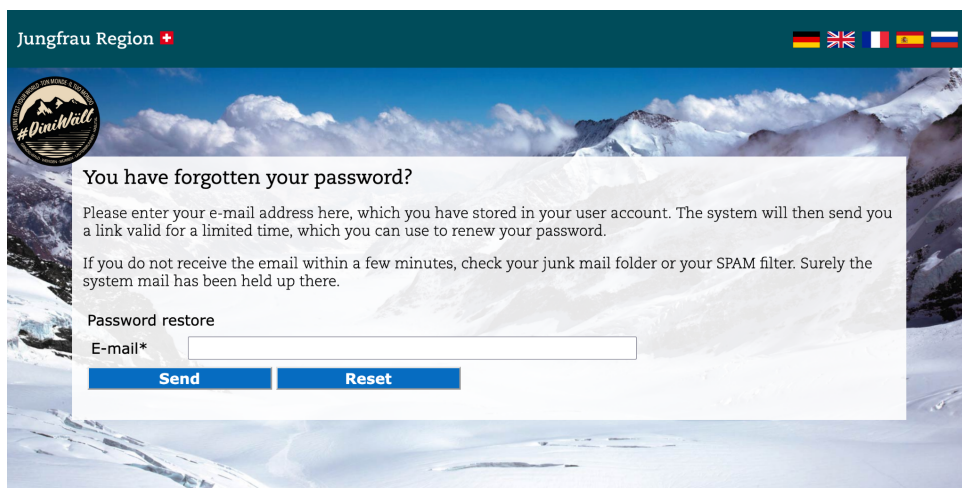

If you have forgotten your password, follow these steps:

1. Use the "Forgot & Recover Password" function, just below the login screen.

(Link for your extranet access: <https://www.registration-jungfrauregion.swiss/admin/>)

2. Enter the email address you used for your user account.

Click Send.

3. The system will send you a link for assigning a new password by E-Mail.

Dear User,

You have requested password recovery on 2022-05-12 15:20:26.

To assign a new password, please use the system link below:

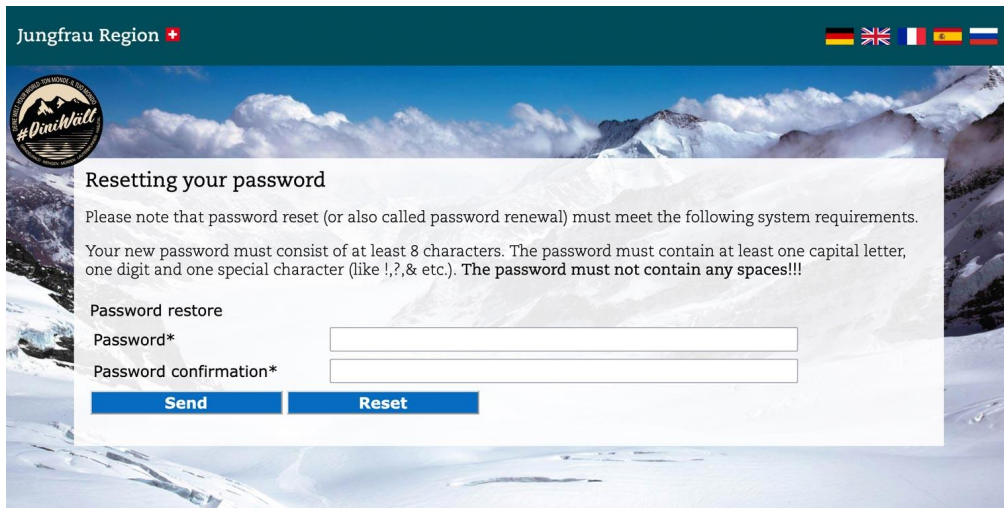

<https://www.registration-jungfrauregion.swiss/en/password-reset/request:WjVLZGFacWftwI>

After successfully entering your new password and confirming it, you will be able to log in using the login pages of this web portal with your following user account:

██████████

Thank you very much and
with kind regards

4. Execute the specified link from the E-Mail:

Jungfrau Region 

 #DailiWelt

Resetting your password

Please note that password reset (or also called password renewal) must meet the following system requirements.

Your new password must consist of at least 8 characters. The password must contain at least one capital letter, one digit and one special character (like !,?,& etc.). **The password must not contain any spaces!!!**

Password restore

Password*

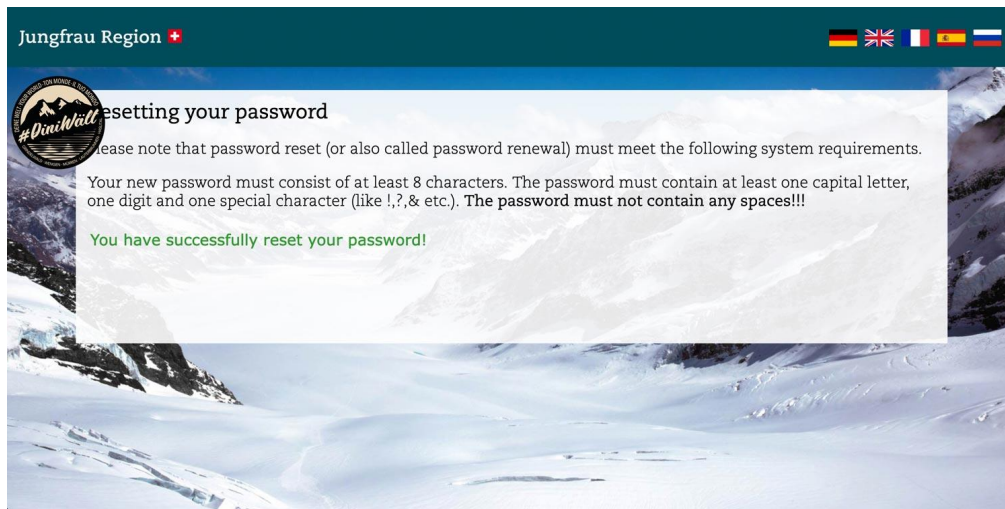

Password confirmation*

Enter your new desired password under Password and Password confirmation.

Your new password must consist of at least 8 characters. The password must contain at least one capital letter, one digit and one special character (like !,?,& etc.). **The password must not contain any spaces!!!**

Click on "Submit".

5. If the sending of the new password was successful, you will see the following screen:

6. You can now log in with your new password.

Please switch to your extranet access via the following link:

<https://www.registration-jungfrauregion.swiss/admin/>
